Connect Wallet
Powered by Ethereum · Sepolia Testnet
Community lending,
reimagined on-chain.
Create trusted circles, vote for borrowers, earn profit together — every rule enforced by smart contracts, zero middlemen.
Connect MetaMask
View Contract
Multi-Group
Create or join groups with custom EMI, size & tenure — public or invite-only
Vote to Borrow
Members vote democratically for who receives the loan
Emergency Fund
Need urgent money? Request it — group votes yes or no
Credit Score
On-time payments build your on-chain credit reputation
Profit Share
Interest earned is split proportionally among members
Trustless
Smart contracts enforce every rule — no middlemen
